

2013 - WHITEHALL INCOME TAX RETURN - FORM W-1040 - INSTRUCTION SHEET MANDATORY FILING

WHO MUST FILE:

- A. All Whitehall residents and part-year residents 18 years of age and older.
- B. Anyone who receives a pre-printed return or post card. All accounts remain on active status until a "final" return is filed.
- C. All nonresidents of Whitehall who earn income in Whitehall not subject to the withholding of Whitehall income tax or who have business, professional or rental income or loss in Whitehall.
- D. This form is for use by individual/joint taxpayers only.

FILING STATUS:

Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the City of Whitehall. Filing a joint return will neither increase nor decrease your City of Whitehall tax liability.

WHEN TO FILE:

This return must be filed on or before April 15, 2014. A return postmarked no later than April 15, 2014 is considered timely.

WHERE TO FILE:

Mail or deliver to: City of Whitehall Income Tax Division
360 S Yearling Rd
Whitehall OH 43213-1894
Fax: 614-237-7902
E-mail: incometax@whitehall-oh.us

PAYMENTS/OVERPAYMENTS:

Any tax due must be paid when filed. Checks or money orders should be made payable to the City of Whitehall. Taxes due of less than \$5.00 will not be collected. Refunds of less than \$5.00 will not be made.

PENALTIES AND INTEREST:

- (1) For failure to pay taxes due, 10% of the tax due or \$25.00, whichever is greater.
- (2) For failure to file a return by the due date or by the date resulting from an extension granted by this office, \$25.00.
- (3) For failure to file the 2013 Declaration of estimated tax after 4/15/13 or not at all: \$10.00 is assessed.
- (4) Interest of 1-1/2% per month is assessed on any tax liability, including estimated taxes, remaining unpaid after the due date.

EXTENSION OF TIME TO FILE:

An extension of time to file MAY be granted provided an extension request has been filed with the City of Whitehall's Income Tax Division by THE ORIGINAL DUE DATE OF THE RETURN. A copy of your Federal extension may be accepted as a Whitehall extension request, as long as it is received in our office and/or postmarked by THE ORIGINAL DUE DATE OF THE RETURN. An extension of time to file is not for an extension of time to pay. Payment of any estimated tax due should accompany the extension request. If a copy of the extension request is not filed, penalty and interest will apply.

PART-YEAR RESIDENTS:

If you lived in Whitehall for part of the year, you must file a Whitehall tax return for that period of time. Report the amount of income you earned while you lived in Whitehall. Pay statements with year-to-date amounts or a statement from your payroll department may be used. When the actual amounts cannot be determined, you may prorate your income. When you prorate your income you must also prorate your city tax withheld.

TAX PREPARATION:

The Tax Division staff is available to prepare your tax return between the hours of 7:00 a.m. and 4:30 p.m. Monday through Friday. You must provide copies of all W-2s, Federal Forms 1099, Federal tax return with all attachments and other city tax returns that support credit for taxes paid to said cities.

UNDER 18:

You pay tax only on that income earned after you turned 18. Persons under 18 years of age are not required to file a Whitehall income tax return. However, if Whitehall tax was withheld a return must be filed to receive a refund.

RETIREES:

Retirees who earn wages, operate a business, own rental property or earn other taxable income are required to file a return.

ESTIMATED TAX PAYMENTS:

Every taxpayer who anticipates any taxable income which is not subject to withholding of income tax or individuals who engage in any business, profession, enterprise or activity subject to Whitehall taxation and such income results in estimated tax due of \$100 or more shall file a declaration and pay estimated tax. Estimated payments are required for those individuals with tax rates in their work city of less than 2.5%; and the liability is expected to be \$100.00 or greater. Such payments are due on April 15, July 31, October 31 and January 31 of the following year. The first estimated tax form is found at the bottom of the income tax return. Estimated payment vouchers are available at www.whitehall-oh.us or by calling the Tax Division. A declaration and payment of estimated tax which is less than 90% of the tax shown on the final return or less than 100% of the previous year's tax shall not be considered in good faith. The difference shall be subject to penalties and interest.

EMPLOYEE BUSINESS EXPENSES:

Business expenses may be deducted only when such expenses are incurred and directly related in earning commissions or other compensation as allowed by Federal Income Tax. Detail must accompany any deductions taken on line 4 of Federal Form 2106. First, you must attach a copy of Form 2106 and Federal Schedule A, and it must indicate to what job the expenses are related too. If you are claiming Form 2106 expenses for several jobs, you need to attach a separate Form 2106 for each job. Second, your Form 2106 may not exceed your earnings from the job to which the expenses relate. Third, you must be required to complete a Form 2106 to claim the expenses on your Federal return. Thus, if you can claim all the expenses reported on your Form 2106 directly on Schedule A of your Federal return without being required to file Form 2106, you may not claim these expenses on your city return.

UNINCORPORATED BUSINESS ACTIVITY:

The net loss from an unincorporated business activity may not be used to offset salaries, wages, commissions or other compensation. However, if a taxpayer is engaged in two or more taxable business activities to be included on the same return, the net loss of one unincorporated business activity, except any portion of a loss separately reportable for municipal tax purposes to another taxing entity, may be used to offset the profits of another for purposes of arriving at overall net profits.

AMENDED RETURNS:

Amended returns are accepted by completing an income tax return with the words "Amended Return" written in red ink across the top and the year being amended. There is a 3 year limitation of amended returns for refunds.

REFUNDS:

A special refund form is required to be filed for non-residents who spend time outside Whitehall, yet have Whitehall tax withheld on their entire income.

DISCLAIMER:

Instructions are illustrative only. Chapter 181 of the Whitehall Codified Ordinance supercedes any interpretation presented.
